Notes

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that in order to have the right to attend and vote at the Annual General Meeting (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Company at close of business on 25 April 2023 or, in the event of any adjournment, at the date and time which is not more than 48 hours before the day of the adjourned meeting. For the purposes of this calculation any part of a day that is a non-working day is excluded. Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
2. Shareholders are recommended to vote their shares electronically at www.signalshares.com. On the home page, search 'Journeo plc' and then register or log in, using your Investor Code. To vote at the AGM, click on the 'Vote Online Now' button. Electronic votes and proxy votes should be submitted as early as possible and, in any event, to be received by no later than 11.00 a.m. on 25 April 2023. Any power of attorney or other authority under which the proxy is submitted must be sent to the Company's Registrar (Link Group, PXS1, Central Square, 29 Wellington Street, Leeds LS1 4DL) so as to have been received by the Company's Registrars by not later than 11.00 a.m. on 25 April 2023 (or 48 hours (excluding weekends and public holidays) before the time appointed for any adjournment of it). You are entitled to request a hard copy form of proxy directly from the Registrar, Link Group. If a paper form of proxy is requested from the Company's Registrar, it must be completed and sent to the Company's Registrar (Link Group, PXS1, Central Square, 29 Wellington Street, Leeds LS1 4DL) so as to have been received by the Company's Registrars by not later than 11.00 a.m. on 25 April 2023 (or 48 hours (excluding weekends and public holidays) before the time appointed for any adjournment of it).
3. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take that appropriate action on their behalf.

In order for a proxy appointment, or instruction, made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID: RA10) by the latest time(s) for receipt of proxy appointments specified in this Notice of Annual General Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

4. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001.
5. Unless otherwise indicated on the Form of Proxy, CREST voting or any other electronic voting channel instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.
6. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
7. Copies of Executive Directors' service agreements and copies of the terms and conditions of appointment of Non- Executive Directors are available for inspection at the Company's registered office from the date of this Notice until the close of the Annual General Meeting (Saturdays, Sundays and public holidays excepted) and will be available for inspection at the place of the meeting for at least 15 minutes prior to the meeting as well as during the meeting.
8. As at 27 March 2023 (being the last practicable date prior to the publication of this Notice) the Company's issued share capital consists of 16,217,439 Ordinary Shares of 6.5p each, carrying one vote each. Therefore, the total voting rights in the Company as at that date are 16,217,439.
9. You may not use any electronic address (within the meaning of Section 333(4) of the Companies Act 2006) provided in this Notice of Annual General Meeting (or in any related documents including the Chairman's letter and Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

Explanatory notes of certain business

Resolution 8

Changes made to the Companies Act 2006 by the Companies (Shareholders' Rights) Regulations 2009 increase the notice period required for general meetings of the Company to at least 21 clear days unless shareholders approve a shorter notice period, which cannot, however, be less than 14 clear days (Annual General Meetings will continue to be held on at least 21 clear days' notice).

Until the coming into force of the Companies (Shareholders' Rights) Regulations 2009 on 3 August 2009, the Company was able to call general meetings other than an Annual General Meeting on at least 14 clear days' notice without obtaining such shareholder approval. In order to preserve this ability, resolution 8 seeks the necessary shareholder approval. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

The flexibility offered by this resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting.

Note that the changes to the Companies Act 2006 mean that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Recommendation

Your Directors believe that all the proposed resolutions to be considered at the Annual General Meeting as set out in this document are in the best interests of the Company and its shareholders as a whole. Accordingly, your Directors unanimously recommend that you vote in favour of them as they intend to do in respect of their own beneficial holdings amounting in aggregate to 602,856 Ordinary Shares, representing approximately 3.7 per cent. of the current issued share capital of the Company at the date of this document.
